Swift stunts adds precision to East Lancashire Hospice fundraising drive

Gaskell Motorbodies of Great Harwood supported by many local businesses has organised a Paul Swift Precision driving night to raise funds for East Lancashire Hospice.

***Friday 31st August 2012 at The Lorry Park at Blackburn with Darwen
Services off Junction 4 of the M65 starting at 6pm***

Nick Gaskell, owner of Gaskell Motorbodies, says that “this is the second Paul Swift he has organised to raise money for Charity, last year we raised money for the Help for Heroes Charity. The event was so well attended we needed to find a bigger venue for more people and so Paul can have more fun in a bigger space. With help of lots of other people, Cicely Commercials and Extra Services we have the perfect venue. Our chosen charity this year is The East Lancashire Hospice. The event is also being supported by Lancashire Fire & Rescue road safety awareness team”. Thanks to everybody concerned.

For over 25 years **East Lancashire Hospice** has continuously provided a special way of caring to people suffering from life limiting illnesses throughout Blackburn, Darwen, Hyndburn and the Ribble Valley.

A life limiting or life threatening illness can be very hard to come to terms with and that is why we are here. We provide specialist care, supportive care and end of life care for people and their families both at the Hospice and at home. Here everyone is special, whether patients come to us or we go to them.
